## Success in Ukraine!

With the help of our partners, we were able to have a successful outreaches that blessed individuals, families and rehab ministries in Ukraine and Moldova. We thank our national leader, Pastor Volodymyr Sergachov, for being our hands and feet for this outreach. The following was accomplish with the funds sent from our ministry:

- Korosten Drug Rehab - Quality food and Operation Expenses.
- Kishinew Alcohol Rehab - Quality Food and Operation Expenses.
- Brovary Alcohol Rehab - Quality Food and Operation Expenses.
- Brovary Mother and Children Rehab - Warm Clothes, Food, Supplies.
- Blind Child - Financed expenses to see Ophthalmologist in Ukraine.

The lockdowns have caused pastors to loose jobs and income. We sent love offerings to four pastors to purchase quality food for their families and pay unpaid bills they could not pay because of no work. Praise the Lord! Please keep Eastern Europe in your prayers.
